Albert College...

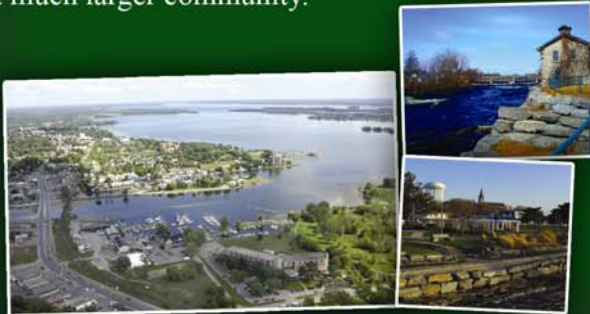

Albert College is Canada's oldest, independent, co-educational boarding and day school. Founded in 1857, the College provides advanced academic programs to students from over 20 nations.

The main school is a historic gothic style building that was built in 1923. Albert's beautiful 25-acre campus features plenty of large trees and outdoor areas to relax, read, study or play games. For those who like to walk, jog, or bike, a large waterfront park is located just minutes from the College on the beautiful Bay of Quinte.

Belleville, Ontario, Canada

Albert College lies only two hours from Toronto in the thriving community of Belleville. The population of 49,000 ensures a safe and peaceful setting. Since Belleville serves a surrounding population base of approximately 200,000 people, its facilities and services are on par with those of a much larger community.
