

Class Agents as of August 12, 2015

Thank you to all class agents for your commitment to and support of Albert College.

These alumni volunteers serve as an important link between Albert College and our alumni worldwide. Class agents assist classmates and the college in a number of ways; by keeping in touch and informed about the college, assisting to find alumni who have become “lost trails”, providing assistance for the planning of special events, attending college events when possible and encourage alumni attendance, assisting with fundraising, promoting the college in their home cities and encouraging classmates to submit news for *Albertalks*.

If you are interested in becoming a class agent please contact the Advancement Office at alumni@albertcollege.ca or call 613-968-5726 ext. 2268
